

Dr. Parimala Veluvali

Director, Symbiosis School for Online and Digital Learning (SSODL)
Symbiosis International (Deemed University)

Dr. Parimala Veluvali is a seasoned academician with over 16 years of experience in higher education, currently serving as the Director & Associate Professor of the Symbiosis School for Online and Digital Learning (SSODL), the dedicated centre for distance and online education at Symbiosis International (Deemed University). Under her governance, SSODL offers 22 different programmes under the Faculty of Management, Computer studies, Humanities and social sciences and healthcare, in the space of Online and Distance Learning, catering to over 12,000 students from across India and abroad.

Dr. Parimala is deeply passionate about student engagement and is committed to ensuring that online learners experience has the same level of interaction, mentorship, and academic excellence as their on-campus counterparts. Her teaching methods are student friendly making her a favourite Prof with all the students.

Her academic expertise lies in the areas of corporate laws and investor protection, and she is also a Fellow Member of the Institute of Company Secretaries of India. Her research interests are rooted in corporate governance and quality assurance in higher education, and she has been a driving force in integrating these principles into online teaching, learning, and evaluation practices.
