

Instructions for returning students to the School of Advanced Study

You should use your university VLE username in the format *firstname.surname* and your password

To log in, please use the secure link provided in your invitation email for registration

A screenshot of the University of London VLE login page. The page is divided into two main sections: 'Log in' and 'Staff log in'. The 'Log in' section is for students, GEM staff, markers, external examiners, and staff at member institutions or colleges. It includes a 'Username' field with the placeholder 'Forename.Surname', a 'Password' field with a masked password '.....', and two buttons: 'Forgotten your password?' and 'Log in'. The 'Staff log in' section is for those with a University of London account, providing examples like 'my.name@london.ac.uk' and 'my.name@sas.ac.uk'. It also includes a note about contacting the Service Desk if the password is forgotten and a 'Log in with UoL account' button.

Username: VLE username in the format *firstname.surname*

Password: password used for the VLE - this will be the same password you were using last year, it would not have been reset for the new registration

Note: you will not be able to use the 'Forgotten your password?' option displayed on the login screen

What to do if you have forgotten your password

If you encounter login issues, please contact the IT Support Team: service@london.ac.uk with your name, student number and a description of the error you are encountering (preferably with the aid of a screenshot)
